

CHRONOLOGY OF TOSAFISTS

The following Appendix of Ashkenazic Rabbinic Scholars was provided by Rabbi Dr. Ephraim Kanarfogel in his book: *Peering Through The Lattices*, Wayne University, 2000. In his book, Rabbi Kanarfogel sets out to prove that the Tosafists were involved in mystical studies. Some of what he uncovers includes prayer and prayer practices. His Appendix is worth keeping handy in that he arranges many of the early Ashkenazic sources in chronological order.
